The Lowell Electric Light Corp.
Form E D-27

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of The Lowell Electric Light Corporation and the Eastern Massachusetts Street Ry. **Company.**

LOWELL, MASSACHUSETTS, January 17, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that The Lowell Electric Light Corporation and the Eastern Mass. Street Railway Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said LEL Corp. & EMSR Company shown upon the plan hereto attached marked "C-4247" and said L.E.L. Corporation & E.M.S.R. Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Gorham Street, East Chelmsford, ten single wire attachments to each of nine (9) PRL poles #73, 74, 75, 76, 77, 78, 79, 80 and 81.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford Massachusetts:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the L.E.L. Corporation and the E.M.S.R. Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4281" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said L.E.L. Corporation and E.M.S.R. Company dated the 3rd day of February, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford Massachusetts:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Eastern Mass. Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4309" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Eastern Mass. Street Railway Company dated the 13th day of February, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

B-6 P-14

Gorham Street, Chelmsford, ten single wire attachments to one (1) EMSR pole #D-2821.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the MAR - 2 1925 day of ...., 192....

Harold C Petterson
Clerk of Selectmen.

The Lowell Electric Light Corp.
Form E D-27

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the Eastern Mass. Street Railway Company.

LOWELL, MASSACHUSETTS, February 13, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that the Eastern Mass. Street Railway Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said E.M.S.R. Company shown upon the plan hereto attached marked "C-4309" and said Eastern Mass. Street Railway Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Gorham Street, Chelmsford, ten single wire attachments to one (1) EMSR pole #D-2821.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford Massachusetts:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the L.E.L. Corporation and N.E.T. & T. Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4338" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said L.E.L. Corporation and N.E.T. & T. Company dated the 28th day of February, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Acton Road, So. Chelmsford, ten single wire attachments to one (1) unnumbered PLT pole.

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph **Company.**

LOWELL, MASSACHUSETTS, May 25, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. & T. Company shown upon the plan hereto attached marked "C-4481" and said New England Telephone & Telegraph Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

The Lowell Electric Light Corp.
Form E D-27

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph Company.

LOWELL, MASSACHUSETTS, May 19, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. &T. Company shown upon the plan hereto attached marked "C-4470" and said New England Telephone & Telegraph Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Groton Road, Chelmsford - ten single wire attachments to one (1) NET pole unnumbered.

FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4459" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said New England Telephone & Telegraph Company dated the 15th day of May, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Princeton Street, Chelmsford - ten single wire attachments to one (1) NET pole #42.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the JUN - 1 1925 day of , 192

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford *Massachusetts:*

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell Electric Light Corporation ~~Company~~ heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4497" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Lowell Electric Light Corporation ~~Company~~ dated the 3rd day of June, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

High Street, Chelmsford - ten single wire attachments to one (1) unnumbered LEL pole.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the JUN 15 1925 day of , 192

The Lowell Electric Light Corp.
Form E D - 27 90787

Petition of The Lowell Electric Light Corporation to attach its Wires and Fixtures to the Existing Poles of the Eastern Massachusetts Street Railway **Company**

Lowell, Massachusetts, August 3, 1925.

To the City Council (Board of Aldermen) of the City of Chelmsford, Massachusetts:

Respectfully represents The Lowell Electric Light Corporation that the Eastern Massachusetts Street Railway Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said E.M.S.R. Company shown upon the plan hereto attached marked "C-4575", and said E.M.S.R. Company, owner of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Middlesex Street, ten single wire attachments to one EMSR pole D-2571.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford, *Massachusetts:*

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell & Fitchburg Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4571" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said L & F St. Ry. Company dated the 1st day of August, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten (10) single wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Main Street, ten single wire attachments to each of thirteen (13) L & F poles #86-98 inclusive.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the AUG 17 1925 day of , 192

To The Board of Selectmen of the Town of Chelmsford,
Massachusetts:-

PLANT CHIEF
JUL 21 1925
LOWELL DIST.

PETITION OF THE LOWELL ELECTRIC LIGHT CORPORATION,

and the

NEW ENGLAND TELEPHONE & TELEGRAPH COMPANY.

FOR JOINT OR IDENTICAL LOCATION OF POLES.

The Lowell Electric Light Corporation and the New England Telephone & Telegraph Company being Companies incorporated for the doing of business in the State of Massachusetts respectfully represent that they are desirous of constructing lines for use in conducting their business upon and along the public way or ways hereinafter named.

Wherefore, they ask permission, after due notice and hearing as provided by law, to erect and maintain four (4) new poles with the necessary fixtures and wires thereon; also to abandon one (1) joint location and two (2) LEL pole locations, upon and along the public way known as Acton Road, of the Town.

Poles to carry wires as follows at a height not less than 18 feet.

The Lowell Electric Light Corporation - 10 single wires.

The New England Telephone & Telegraph Company - 2 aerial cables and 10 prd. wires

Said poles to be of chestnut or some other suitable material and maintained substantially in accordance with the plan marked "C-1563" and filed herewith.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford *Massachusetts:*

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell & Fitchburg Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4607" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Lowell & Fitchburg Street Railway Company dated the 24th day of August, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

6-74

Bms

West Chelmsford Road, No. Chelmsford - ten single wire attachments to one (1) PF pole #801.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the SEP 1 1925 day of , 192

83.1

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph Company.

LOWELL, MASSACHUSETTS, September 16, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. & T. Company shown upon the plan hereto attached marked "C-4631" and said New England Telephone & Telegraph Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to :

Middlesex Street, North Chelmsford - ten single wire attachments to each of two (2) NET poles #1171 and 1172.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford *Massachusetts:*

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the L.E.L. Corporation and N.E.T. & T. Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4623" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said L.E.L. Corporation and N.E.T. & T. Company dated the 14th day of September, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

6-84 / Bx 5.

Newfield Street, North Chelmsford - ten single wire attachments to each of two (2) PLT poles #1011 and 1012.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the OCT - 1 1925 day of, 192

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked " C-1613 "
on file with said Petition; the wires on said poles to run not less than 18
feet from the ground at any point.

Said poles and wires shall be erected and maintained subject to the following further specifications, viz.:

CERTIFICATE

We hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by chapter 509, of the Acts of 1911; to wit, after written notice of the time and place of the hearing, mailed at least seven days prior to the date of the hearing, by the selectmen to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the line is to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the .... day of OCT 15 1925 19 , at CHELMSFORD in said town.

Signatures of Selectmen:

George W. Day

Robert W. Barris.

George Rigby

CERTIFICATE

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the town of CHELMSFORD duly adopted on the .... day of OCT 15 1925 19 , and of the Certificate of notice and hearing thereon required by Chapter 509 of the Acts of 1911, as the same appear of record.

L. E. L. FORM E-D-24

Lowell, Massachusetts, October 3, 1925.

To the Selectmen of the Town of Chelmsford **, Massachusetts.**

PETITION of The Lowell Electric Light Corporation.

Respectfully represents The Lowell Electric Light Corporation that it is a company incorporated for the transmission of electricity for lighting, heating and power, and it desires to construct lines for such transmission upon and along the public way or ways hereinafter named.

Wherefore, it asks permission, after due notice and hearing as provided by law, to erect and maintain one (1) poles, with the necessary fixtures and ten (10) single wires thereon upon and along the public way known as Sunset Avenue in said Town, ~~between~~ near Chelmsford Street. ~~and~~

~~; also~~ ~~poles.~~

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked "C-1613" "and filed herewith; the wires to run not less than 18 feet from the ground at any point.

THE LOWELL ELECTRIC LIGHT CORPORATION

By J. A. Hunnewell, its Manager. E.B.

Town of CHELMSFORD.

FORM OF ORDER FOR WIRE ATTACHMENTS

In Board of Selectmen for the Town of Chelmsford *Massachusetts:*

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Eastern Mass. Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-4683" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Eastern Mass. Street Railway Company dated the 29th day of October, 1925.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Middlesex Street, No. Chelmsford - one pin pole top extension and one (1) three conductor wire.

6-107

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of CHELMSFORD, Massachusetts, held on the NOV 21 1925 day of , 192

115.1

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph Company.

LOWELL, MASSACHUSETTS, December 18, 1925.

To the Board of Selectmen of the Town of Chelmsford *Massachusetts:*

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. & T. Company shown upon the plan hereto attached marked "C-4750" and said New England Telephone & Telegraph Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Wilson Street, Chelmsford - ten single wire attachments to each of three (3) NET poles #4, 5 and 6.

L. E. L. FORM E D 24

Lowell, Massachusetts, November 21, 1925.

To the Selectmen of the Town of Chelmsford **, Massachusetts.**

PETITION of The Lowell Electric Light Corporation.

Respectfully represents The Lowell Electric Light Corporation that it is a company incorporated for the transmission of electricity for lighting, heating and power, and it desires to construct lines for such transmission upon and along the public way or ways hereinafter named.

Wherefore, it asks permission, after due notice and hearing as provided by law, to erect and maintain twenty (20) poles, with the necessary fixtures and ten (10) single wires thereon upon and along the public way known as Richardson Road in said Town, ~~between~~ ~~and~~

~~; also~~ ~~poles~~

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked "C-1637" and filed herewith; the wires to run not less than 18 feet from the ground at any point.
